Member contact info was updated to comply with SCC rules

Andrea Jacobs gave a presentation on the Yearly Digital Safety Plan - internet safety at school – district filter works excellently and will also block Facebook and Youtube. IT works on system blockers, filters out inappropriate content. There will be training for teachers on digital citizenship. During white ribbon week, there will be a netsmart assembly. There is a technology resource for parents at parentconnections.canyonsdistrict.org. Mrs. Jacobs will check into what it costs to pay for ad free Youtube, so nothing inadvertently pops up on teacher's computers for students to see.

Principal Stacy is entering her final report for 2016-2017 land trust, there will be a \$475.00 carryover. Goals for this school year were gone over and the school is adding 1 more instructional support assistant for peer coaching.; 1 chromebook cart with chromebooks; 1 lexile band reading set. The school will spend approx. \$51,000 on aids, \$9,000 for supplies, \$7,000 for chromebooks. There cannot be more than a 10% carryover from year to year and the final plan for 2018-2019 needs to be in by March.

State training dates were announced for November 9th 6:00-8:00 at Mt Jordan middle School

Brooke motioned for adjournment and Teri 2nd.
