1. PTA Fundraiser proposition

PTA can only do one fundraiser per year. Gina, PTA's 2010-2011 President, asks that SCC do one for this spring or next spring so that there are funds allocated for the PTA for the following fall.

SCC had discussed in previous meetings doing a fundraiser for the children in Haiti.

One concern is that testing in the spring might bleed into the testing periods.

Another concern is that this is a conflict of interest. SCC is not affiliated with the PTA in any way.

The SCC will find out if this is even an option through the district. We will have a decision by next month's meeting.

2. Parent Survey

Parent surveys sent out today through the classes to the children. Survey will be sent out via PTA email today or tomorrow. We will need to gather other information to help us make our conclusions. Mr. Robinson has some data for us to look at (CRT scores).

The State Math Core curriculum has changed and our testing scores have dropped dramatically. In the future, we may need to address the gap. The land trust money can be allocated anywhere we decide.

3. Haiti fundraiser

Movie with a silent auction.

Each room mom or other volunteer come up with an idea for a silent auction. Also, ask families to donate an auction item.

Date: March 19

Spaghetti Dinner? Donations would be great.

We could charge for a family movie night instead of a dinner night.

Money will go to "Helping Hands for Haiti". A speaker will come and show a short clip.

Silent auction could be in the hallway.

Movies and Munchies.... Idea for a name.

The meeting was adjourned until our SCC March meeting.
