Haiti Fundraiser:

Help is needed for the auction forms on TH after school, or on Friday after school to set up. We have 4 volunteers to help that night so far. More help that night could be helpful. Raffle tickets is a good idea, but we don't know what else is coming in for donations. Auction starts at 6:30 then ending at 7:30. We will sell treats and popcorn.

Land Trust:

Survey results gave us a baseline to go from. We had 83 responses that could reflect upon the majority of the population. Math has seemed to be a concern recently. Mr. Robinson would love to see a focus more on Math but not losing track of reading and writing. Kids College was a fun way for kids to be motivated about math. The consensus among SCC members was to use the Trust Land Monies for math.

The meeting was adjourned until April 19, 2010.
