- I. By Laws: Lone Peak Elementary School's By-Laws for the School Community council were reviewed and finalized. The final draft will be submitted to Tamra Baker at the Canyons School District office and also placed on Lone Peak's website.
- II. Land Trust Plan: The three goals for the 2013-2014 school year were discussed. The goals are in the areas of math, reading, and science. The funding that comes with Land Trust plans was also discussed and divided among the three goals. Instructional Assistants will be hired to provide Tier II interventions in reading and math, and a computer program and several science related materials and supplies will also be purchased with the funds. We have a budget of \$35,000.00 and all of that will be used to cover the expenses listed above. 10 members of our SCC were present and all voted unanimously to approve and submit the plan. 2 members were not present. This plan will also be made available to our school's community.
