Lone Peak Elementary - Frequently Asked Questions

What does the first day of school look like? *(subject to change – check ParentSquare communication)*

- 1. What does my student need to bring?**
Bring a regular-sized backpack. All other supplies will be provided by the school.
- 2. When does school begin?**
School begins at **8:55 a.m.**
- 3. How does my student get to school and where do they go?**
Students wait outside behind the school unless they are eating school breakfast. **Parents will not be able to park or walk students into class on the first day.** There will be staff at the drop-off and bus areas to help direct students.
 - Student drop-off is between **8:35-8:55 a.m.** Please only drop off and pick up in designated areas, do not park or get out of the car, and exit quickly and safely. The bus zone/parking lot is closed during drop-off and pick-up times unless you have an appointment.
 - Once classes have gone inside, students need to enter through the main office. After 9:05, students will be marked tardy and must get a slip from the office. After 9:15, parents need to come in or call the office to check in.
 - If you are checking students out, you can call the office 5-10 minutes ahead. You must show ID if office staff does not recognize you.
 - For busing information and eligibility, visit the Lone Peak website. Students may only ride their assigned bus.
- 4. How does my student eat breakfast or lunch?**
Plan for your student to bring a home lunch or eat school lunch.
Money for school meals can be added through Skyward Family Access under Food Service or you can apply for free/reduced lunch when you complete back-to-school registration.
Students scan badges or give their name to the cafeteria for school lunch or breakfast.
Menus and prices can be found on the Lone Peak website.
- 5. When does school end and where do I pick up?**
School dismisses at **3:30 p.m. on Monday-Thursday** and **1:50 p.m. on Fridays.** Kindergarten students are picked up on the hill in front of the school. Parents need to make eye contact with teachers before students will be released.

Communication

- 1. Communicating with Students**
All communication with students should be made through the office or teachers. If you need to get a message to your student, call the office and we will call messages into classroom the last 10 minutes of school so students don't forget. Please make any transportation changes at least 20 minutes before dismissal. Kindergarten teachers always need to be notified of any changes to transportation in advance.
- 2. Communicating with Teachers**
Please use ParentSquare messaging or email to communicate with teachers. For urgent information, contact the office. Allow teachers at least **two school days** to respond to messages.
